La Grange Highlands, IL 60525

Evaluations Version 1

Please Read and Sign Below

As part of our program, we will administer standardized tests. A majority of the subtests are administered orally, un-timed, and on a 1:1 basis. The student starts at an easy level (basal) and stops when she/he reaches a difficult level (ceiling), i.e. 3 out of 5 wrong or 6 in a row wrong as determined by the subtest standards. Therefore, the student is not expected to read material that is too difficult and /or frustrating. In addition to Acacia Academy assessments, we are mandated by the State of Illinois through your child's school district, to administer specific state tests.

We will administer all tests, Acacia Academy's as well as the state's tests, with the individual accommodations necessary per the child's IEP.

I _____ understand the Acacia Academy Testing
Print Parent/Guardian Name
Policy and give my permission to administer the tests at Acacia Academy.
