

2025-2026 Student Supply List

The required school supplies are noted below. Acacia students will need to bring their district-provided laptop and a packed lunch in a paper sack to and from school daily. **Please note that student lunches must not require the use of a microwave or refrigerator.**

We are requiring all **student supplies be dropped off to Acacia on or before back-to-school night, which is Monday, August 18th from 2:00-4:00PM.** If that day and time does not work for your family, please connect with Kacey Bourdage (kbourdage@acaciaacademy.com) to arrange another time. If you can sort your items into two groups (paper products/cleaning products and school supplies) before dropping them off, that would be very helpful.

Before student supplies are dropped off, **they must also be labeled with your students' first name/last initial.** Supplies will be kept at school for student use. During supply drop-off, your student will also receive his or her schedule, locker, apparel that was ordered, and they will get to meet their teacher(s).

- 1 **clear** reusable water-bottle for personal/daily use
